DETAILED ACTION

The following is an examiner's statement of reasons for allowance: The prior art does not teach a method for recovering a budded baculovirus expressing an intracellular organelle membrane-bound protein comprising culturing a host infected with at least one recombinant baculovirus which contains a gene encoding said protein, expressing said protein in said infected host allowing baculovirus produced in said host to bud and be released from said host with said expressed protein being in the envelope of said budded baculovirus.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to M. Franco Salvoza whose telephone number is (571) 272-8410. The examiner can normally be reached on M-F.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, James Housel can be reached on (571) 272-0902. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.
